Hi everyone,

I really enjoyed capturing some cheeky smiles from DC students last year and I'm ready to do it again soon.

Following the two weeks of photographing every single DC student (there are nearly 1300!) I will be busy editing all the images. I know you will be eager to see the finished result, but this will take a couple of weeks. You will be notified when they are ready to view. I appreciate your patience.

Last year there were a few frustrations with the online ordering system. Following your feedback I have included a search button and made ordering easier.

I recommend you keep this leaflet handy for when it's time to order.

Looking forward to seeing your fantastic smiles.
