HIGHJUMP PHOTOGRAPHY

Hi Everyone

Due to quarantine restrictions and the recent school closures, sadly I was unable to take the photos again this year. Instead, I employed DB Photographer Louise Machin to take the photos on my behalf. Louise has done a fantastic job and I'm sure you'll be pleased with the results.

Your photos are ready to view and purchase. Please note that due to the delay in taking photos this year, print orders will not arrive at DC before the end of this term. If you are not returning to DC next year, I recommend purchasing digital downloads instead of prints. If ordering prints, the print deadline is **12pm, Friday 10th June 2022.**

Thanks for your continued support.

DOWNLOAD YOUR PURCHASE

When paying by credit card you will be able to download your digital files immediately. Please follow the prompts to download.

If paying by bank transfer, you will be emailed when your download is available (it will take a few days to process).

Downloading onto a laptop or desktop computer is best. It may be difficult to get photos off your phone or tablet to print. Also, the file size may be too large for your device. Always make a backup of your files.
