(other than those at KGV/KJS/JCSRS/BHS/CWBS)

Dear Parents

As we prepare to celebrate the Lunar New Year I would like to take this opportunity to thank you all for your continued support over the past year.

The ESF community spirit is strong within and across our schools. I see first-hand the positive impact that collaboration, within schools and across ESF, has on your child's learning.

Strengthening even further our collaboration, by looking for opportunities to work across schools and with partners, will support greater personalisation in learning for your child. With new approaches to learning and technological advances we are increasingly questioning how we might better organize learning and make best use of our resources in schools and across ESF to give your child the best that education has to offer.

You may already be aware of a proposal to establish a learning campus across three schools in Kowloon. This is an example of seizing an opportunity to consider a different model of learning. If you would like further information please follow this link : [http://www.esf.edu.hk/sites/esf/files/KLC\\_Consultation\\_paper\\_150206.pdf](http://www.esf.edu.hk/sites/esf/files/KLC_Consultation_paper_150206.pdf)

Please be assured that our interest is in providing your child with quality learning experiences and in maintaining your confidence in us to deliver this.

Wishing you every happiness in the Year of the Goat.

Kung Hei Fat Choy

Yours sincerely
