Audition Form: Young Performers Evening Thursday 14 January 2016, 6.30pm

Discovery College will be hosting its 8th Young Performers Evening. This is a performance evening to showcase music performers and performances in the Primary School. Performances may range from soloists to small ensembles, and includes any music style. Performance on traditional Chinese instruments is encouraged.

There is an audition process involved, and students are to prepare the piece they wish to present on the evening. Please be aware that not all students may be successful in their audition. The auditions will be held from **Wednesday 4 January to Friday 8 January**, and students are asked to complete all information on this form and **return it to Mr Burrows by Friday 11 December**. The audition time sign up sheet will be posted on the notice board outside the Primary Music Room from Monday 7 December.

Please be aware that **all soloists** who need accompaniment for the Young Performers Evening must bring the accompaniment music to the audition. The accompanist is not needed for the audition.

The College will provide a piano accompanist for the evening performance and times will be made available for rehearsals. Parents are welcome to be the accompanist for their own children. Parents are asked not to organise their own accompanists as the College will not be remunerating accompanists organised by parents. The music department is aware that some pieces may be best suited accompanied by an instrument other than the piano. In such cases, please make contact with Mr Burrows to discuss the accompaniment.

On the evening, all students will be required to perform in appropriate concert dress and will be expected to be at the College at 5.00pm to warm up and tune.

If you have any queries, please contact Mr Burrows at the College. Email is best. Successful students will be notified by Monday 11 January.
