## Higher Education Fair 2021

12-5pm HKT (GMT + 8)

---

We are using MaiaLearning as our platform for our event which is taking place online this year. All Year 12 students and their families are welcome.

You will need an account with MaiaLearning to access the ESF Higher Education Fair. Please speak with your Higher Education Counselling team for instructions.

Please be careful to plan both which institutions to attend, what time they are available for institution presentations or Q & A (each university is different), and consider attending the more general talks below.

### **General Talks delivered by university representatives**

Where there is more than one institution, they are either speaking about the same topic together, or separately at different times. Please go to the host institution on MaiaLearning to attend the presentation.
